

Summary

Hadracha is an organization seeking to educate and guide individuals and families in the Toronto community with employment, business, and personal finances. We provide career guidance as well as assistance with career exploration to become job ready, change careers, or increase current employment opportunities. Our goal is to alleviate the burden of starting or growing a business by providing mentorship and coaching by respected members of the business community. Hadracha services hope to improve the quality of life for the Toronto community by creating a self-sufficient environment where families can become financially independent. <https://hadracha.com/about-us/>

What does Hadracha offer?

Business Mentoring/Coaching Services:

- Hadracha has passionate business mentors who are ready to help guide a company to their success.
- Mentors provide objective advice throughout the growth and development of the business.
- Coaching is not industry specific; it is more of a long-term relationship where advice is given.

Personal Financial Services:

- Learn to maintain personal finances in order to make informed decisions.
- Hadracha offers professional help in financial planning, it is important to learn from the past but also understand where you are standing now:
 - Review personal investments
 - Help with family budget
 - Provide a second opinion on an insurance plan

Career Guidance:

- Career guidance in New Employment, Change Employment, and Increase Employment Opportunity.
- Hadracha can help make the right career choice through one of their established organizational partnerships or with their extensive career resources:
 - [Career Advice](#): Resume Writing, Job Search Strategy, LinkedIn
 - [Job Alerts Signup](#)
 - [Resume Templates](#): Visit the Complete Library of 600+ Templates
 - Partnership with [Resume Target, a professional resume writing service](#), is pleased to offer access to career-related information and premium resume templates.
