## Summary

The Jewish Entrepreneur (TJE) is a fast growing, nationwide not-for-profit organization that provides a full service, pro-bono mentoring program for Jewish entrepreneurs of all affiliations. Our mentors are recruited from across the business spectrum and are available to help both start up and existing entrepreneurs. <https://www.tjenetwork.com/>

## What does TJE offer?

- Mentorship
  - Entrepreneurs who own an early startup, a new business, or a long standing business can take advantage of TJE’s large and experienced mentorship network.
  - Business owners searching for help developing, growing, or looking for advice look to TJE as a valuable free resource.
  - TJE has over 300 mentors across North America and services about 600 companies per year.
  - TJE started a Meet the Mentor program where a group of mentees can interface directly with mentors (virtually or in person as available).
  - TJE offers 11 business related WhatsApp groups to support questions and information for our mentees in addition to maintaining a presence on LinkedIn and Facebook
  - TJE Mentors service almost all business sectors including the following:

Service	Health and Education	Wholesale
Ecommerce	IT	Retail
Marketing	Food	Real Estate
Other		

- TJE has pivoted to support mentoring needs related to the current COVID crisis.
- Connections
  - TJE maintains valuable connections to other organizations that can assist business owners looking for interest free loans, career counseling, training, or other support services.
  - These connections work under the Tribeworks banner.
- Webinars
  - TJE has a vast library of training webinars and gives free monthly webinars by top professionals.
